Our Work at SANDHYA TECHNO

WORKSTATION

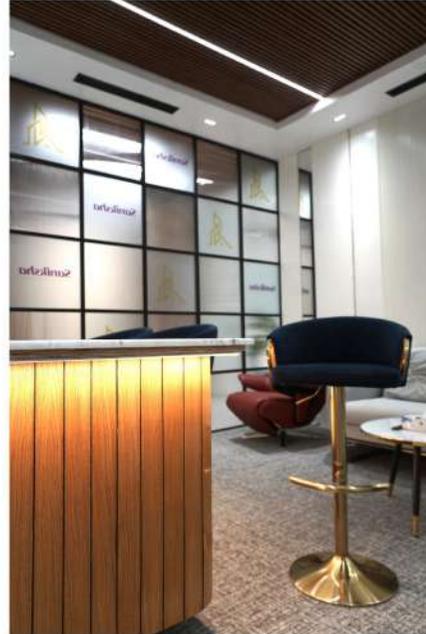

The client's modern office design features sleek workstations, a glass-walled conference room, and custom wardrobes.

Profile lights illuminate the space, and the open ceiling, thoughtfully designed for safety, reveals fire sprinklers, cable trays, and AC ducts.

Wall art injects creativity, enhancing both the inspiration and functionality of the work environment.

FALSE-CEILING

Our Work at SANDHYA TECHNO

We've designed a variety of ceilings for the client's office a cozy Wooden Themed ceiling, a sleek WPVC Rafter ceiling for durability, a practical 2x2 Tile theme ceiling for easy maintenance, and a versatile Plain ceiling. Each choice enhances the office's functionality and aesthetic appeal, tailored to specific needs.

CABIN ROOM & DISCUSSION AREA

We have crafted the interiors for a manager's cabin and a discussion area in our client's office. The design features sleek, modern workstations with ergonomic chairs, ample storage cabinets, and efficient lighting.

CONFERENCE ROOM

Our Work at SANDHYA TECHNO

A stylish conference room with a wooden-themed ceiling and integrated lighting adds warmth and elegance.

The geometric accent wall with strategically placed lights creates a dynamic atmosphere.

Glass walls feature stickers of iconic city architecture, including the Statue of Liberty, Burj Khalifa, and Hyderabad's Cyber Towers.

The marble table and ergonomic chairs complete the space.
